South Carolina Scholarship Programs

WHAT SHOULD I KNOW?

Grants and Scholarships DO NOT have to be repaid.

MOST loans must be repaid, under most circumstances. Education loans usually have low interest rates, and most do not have to be repaid until the student leaves college.

Fellowships are funds granted for advanced study. In many cases, Fellows share similar professional interests.

Student Employment is a job that the college coordinates or assigns for the student to offset the cost of attending school.

PALMETTO FELLOWS

- **1200 SAT/27 ACT** by the June test Administration
- cumulative **3.5 GPA** based on the SC Uniform Grading Scale (SC UGS) by the end of the senior year
- **rank in the top 6% of the class at the end of the sophomore, junior, or senior year**

For college freshmen entering in the fall of 2019, the amount of the scholarship is up to \$6,700 towards the cost of attendance. Sophomores, juniors, and seniors may receive up to \$7,500 per year. Math and science majors are eligible to receive up to a \$2,500 supplement beginning their second/ sophomore year.

LIFE SCHOLARSHIP

Students must meet two of the following three academic criteria to receive funds at a four-year institution:

- **1100 SAT/24 ACT**
- cumulative **3.0 GPA** based on the SC UGS upon high school graduation
- **rank in the top 30% of the graduating class**

Freshmen attending an eligible four-year college or university in the fall of 2019 may receive up to \$5,000 (including a \$300 book allowance) each academic year towards the cost of attendance. Math and science majors are eligible to receive up to a \$2,500 supplement beginning their second/sophomore year.

For students attending an eligible two-year public/private college or technical college in SC, the LIFE scholarship pays up to the maximum cost of tuition at the two-year regional campus (plus a \$300 book allowance) each academic year.

Students must earn a cumulative **3.0 GPA** based on the SC UGS upon high school graduation to receive the LIFE Scholarship at a two-year college.

Freshmen attending an eligible four-year college or university may receive up to \$2,800 (including a \$300 book allowance) toward the cost of attendance.

Loan Amounts & Repayment

Freshmen and sophomores may borrow up to \$2,500 per year. Juniors, seniors, and graduate students may borrow up to \$5,000 per year. If a borrower decides not to teach or does not teach in a critical area, the loan must be repaid.

Loans are forgiven at the rate of 20% or \$3,000, whichever is greater, for each year of full-time teaching in a critical subject area or in a critical geographic area in a SC public school. The loan is cancelled at a rate of 33.3% or \$5,000, whichever is greater, for each year of full-time teaching in both a critical subject area and a critical geographic school.

Ken Bower Teacher Cadet Scholarship

The Ken Bower Teacher Cadet Scholarship, named in memory of Dr. Ken Bower, an architect of the original Teacher Cadet course and curriculum, is awarded each year to as many as five senior Teacher Cadets who intend to become classroom teachers in one of South Carolina's many public schools. Teacher Cadet instructors receive notification of the call for applications early each calendar year, and the additional scholarship information can be found at <https://www.teachercadets.com/ken-bower-scholarship.html>.

Applications must be postmarked on or before March 30, 2019. All applicants, even those who are not selected, will be notified by May 11, 2019. Thanks to the generosity of silent auction "shoppers" at CERRA's 2018 Pre-Collegiate Fall Renewal Conference and the SC Teacher Forum Conference, recipients will receive a one-time award of \$1,000.00. The award is mailed directly to the recipient's college or university in August and is applied to his or her account. Awards are determined based on the merits of scholarship, school and community involvement, teacher recommendations, and a written essay. The Ken Bower scholarship is not "needs-based" and does not rely on the Teacher Cadet's family financial information. Teaching Fellows may also be recipients of the Ken Bower Scholarship.

Need some good advice?

Be careful when searching for information on student financial aid. Don't fall prey to fraud. The College Scholarship Fraud Prevention Act helps protect against fraud in student financial assistance.

The Federal Trade Commission (FTC) cautions students to look for tell-tale lines such as these:

"You can't get this information anywhere else."

"I just need your credit card or bank account number to hold this scholarship."

"The scholarship is guaranteed or your money back."

As a recipient of a TEACH Grant, you must teach in a high need field for at least four academic years within eight calendar years of completing the program of study for which you received a TEACH Grant.
